

Do NOT concentrate media ownership

I am writing to urge you not to relax rules on media ownership. The negative consequences of doing so are visible in Italy where investigations into corruption have been quashed by him and Parliament.

Do you actually think a tv station owned by General Electric will investigate General Electric? Does Fox news give negative news about Rupert Murdoch? The concentration of ownership will lead to loss of information for citizens, greater abuse of power, and the loss of a truly free press. The variety of news opinions and reporting has shrunk over the year, not expanded, despite more media sources.

Thank you,
